**Re: Administrative Order Pursuant to Section 106 of CERCLA
for Great Lakes Asphalt, Inc., Site in Zionsville,
Indiana**

Dear Mr. Hill:

On October 6, 1989, the United States Environmental Protection Agency (U.S. EPA) issued a unilateral Administrative Order Pursuant to Section 106 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 (CERCLA), 42 U.S.C. Section 9601, et. seq. to Roy Strong, among others. I recently received a copy of a letter authored by you, addressed to Basil G. Constantelos, and dated October 31, 1989, in which you indicated that you represent Roy Strong in matters regarding the Great Lakes Asphalt, Inc. Site in Zionsville, Indiana.

A copy of the Administrative Order was sent to Roy Strong but he has not responded to any of the provisions contained therein. The U.S. EPA has the authority to seek civil penalties from parties who are in violation of an Administrative Order Pursuant to Section 106 of CERCLA.

I have enclosed a copy of the Administrative Order. Please inform me whether Mr. Strong intends to comply with the Order. Please remember that if Respondents do not undertake the removal action U.S. EPA will expend public

funds and has the authority to seek treble damages for the funds expended to cleanup the site. You may reach me at (312) 886-6733 or at the address below.

Sincerely,
